§ 1439.101 Applicability.

(a) This subpart sets forth the terms and conditions applicable to the 2002 LAP authorized by Public Law 108-7. Program regulations for prior livestock assistance programs can be found at 7 CFR part 1439 as it was published in 7 CFR chapet XIV revised as of January 1, 2001. Benefits will be provided to eligible livestock producers in the United States under this subpart in declared disaster counties that were subsequently approved for relief under this part by the Deputy Administrator.

(b) During the 2001 or 2002 calendar years, for 2002 LAP, a producer must be in a disaster county that was also approved and determined by the Deputy Administrator as having suffered losses during calendar year 2001 or 2002. Contiguous counties that were not designated as a disaster county in their own right will not be eligible for participation in 2002 LAP under this subpart. Grazing losses must have oc-

curred on native and improved pasture with permanent vegetative cover and other crops planted specifically for the sole purpose of providing grazing for livestock, but such losses do not include losses on, or with respect to, seeded small grain forage crops.

(c) To be eligible for assistance under this subpart, a livestock producer's pastures must have suffered at least a 40-percent loss of normal carrying capacity for a minimum of 3 consecutive months during the relevant calendar year. The percent of loss eligible for compensation shall not exceed the maximum percentage of grazing loss for the county as determined by the county committee. In addition, the producer will not be compensated for that part of any loss that would represent payment of a loss greater than 80 percent.

§ 1439.102 Definitions.
